HEALTH RECUPERATION RESPITE

Since 2000, Bethel Lutheran Church's Circle of Love Project has sponsored children from a community center in Borodyanka, Ukraine, which is near the site of the Chernobyl nuclear accident.

The primary program emphasis is to provide the children a home stay visit in the Madison area with host families for health recuperation, while also providing them with dental, vision, and medical care. Clean air, pure water, and non-contaminated food help to strengthen the children's immune systems. English and computer classes are also provided.

This program has expanded to provide dental assistance in the Borodyanka community.
