

From 2000 through 2017 Bethel hosted a small delegation of children from the Ukraine near the site of the Chernobyl nuclear accident for 6 weeks during the summer. They received medical, vision, and dental treatment; attended English classes and enjoyed trips to Noah's Ark and Bethel Horizons. In 2018 Bethel partnered with Habitat for Humanity, helping to build a home for one of Bethel's Bhutanese families.

This year the proceeds from the Circle of Love Golf Outing will support two efforts to improve Black baby mortality in Milwaukee and Dane County. In Milwaukee Bethel will support our sister congregation Hephatha Lutheran Church's Strong Baby Sanctuary program. In Dane County Bethel will support the similar efforts of Foundation for Black Women's Wellness -- Saving Our Babies program. Both of these are "grass-roots" programs helping improve the health of Black women and their newborn babies.
