### THANK YOU for sponsoring a child! We ask two things of our sponsors:

**'Til Graduation!** Whatever grade level student you choose, please pledge to stay with them (*or another equivalent if they must drop out*) through university graduation, as this is our goal. **110 Grads & counting!**

**Auto-Pay.** You can greatly reduce our operating expenses and allow us to focus on student stories rather than renewal letters if you sign up for Auto-Pay using PayPal. Call Tom (608-213-0606) or Todd (414-204-4768) for help getting started or cancelling if necessary.
